Auditor Name: Ellice Ogle

Reviewer Name: Lucy Anderson

Review Date: 15 May 2019

Oleoestepa SCA remains compliant to the Non-GMO Project Standard version 14.3 and maintains verification. One (1) observation has been described below

FINDING 1 – OBSERVATION

1. **Date Issued:** 15 May 2019
2. **Description:** Ensure compliance of all labels and packaging by referring to the Trademark License Agreement and Guidance provided by the Non-GMO Project. Contact marketing@nongmoproject.org if you have any questions about the use of the Non-GMO Project name or "butterfly" verification mark on or off-products. Label claims must be truthful, accurate, and may not be misleading about GMO content.
Please submit all product labels to SCS Global Services so we may have them on file.
3. **Standard Reference:** Non-GMO Project Standard v14.2 section VIII.B.3 – *“The TA will review labels to assess compliance with ... claim guidelines.”*
